

Workshop: Continuum and Lattice Approaches to the Infrared Behavior of Conformal and Quasi-Conformal Gauge Theories

Events for:

Monday, January 8th - Friday, January 12th

Monday, January 8th

Tuesday, January 9th

Wednesday, January 10th

Thursday, January 11th

4:30pm **James Ingoldby - SCGP 102**

Title: Analysis of a Dilaton Effective Field Theory for Lattice Data

Friday, January 12th
