

Information for Program Invitees

- Program invitees under normal circumstances are invited to attend the program for one month (4 weeks) in total.
- The Center will offer:
 - One (1) round-trip, economy class, advanced purchase airfare
 - Local transportation expenses to/from the airport such as train tickets (excludes rental car)
 - Local (Stony Brook area) lodging expenses for up to one month
 - *We ask for the participant to support their travel expenses from other sources if he/she can. If this is not possible, the travel offer still stands.
- We ask our visitors to come for two weeks, at the least. If a visitor must come for less than two weeks, travel funding will be up for negotiation, but housing will remain covered.
- If a visitor wishes to divide their visit into two separate stays, we can cover the travel expenses for one trip (one flight, one set of local transportation expenses).
- If you are applying to visit a program at the Center, you must apply for at least two weeks.
