Workshop Schedule Week 3

Events for:
Monday, July 26th - Friday, July 30th

Monday, July 26th

10:00am **Mykola Dedushenko - SCGP 103**

Title: R-matrices and interfaces in gauge theories in diverse dimensions

11:00am **Coffee Break - SCGP Cafe**

11:30am **Mykola Dedushenko Continuation - SCGP 103**

Title: R-matrices and interfaces in gauge theories in diverse dimensions

2:00pm **Talk by Valerie Gonzalez - SCGP 103**

Title: 'Mosque Architecture and the Experience of the Islamic Sacred'

3:30pm **Tea Time - SCGP Lobby**

Tuesday, July 27th

10:00am **Zohar Komargodski - SCGP 103**

Title: Line Defects in CFTs

11:00am **Coffee Break - SCGP Cafe**

11:30am **Zohar Komargodski Continuation - SCGP 103**

Title: Line Defects in CFTs

3:30pm **Tea Time - SCGP Lobby**

Wednesday, July 28th

11:00am **Geoff Penington Continuation - Smoths Point Beach**

Title: Replica Wormholes, Islands and the Information Problem

Thursday, July 29th

10:00am **Sebastian Franco - SCGP 103**

Title: 2d Minimally Supersymmetric Gauge Theories, Orientifolds and Spin(7) Cones

11:00am **Coffee Break - SCGP Cafe**

11:30am **Sebastian Franco Continuation - SCGP 103**

Title: 2d Minimally Supersymmetric Gauge Theories, Orientifolds and Spin(7) Cones

3:30pm **Tea Time - SCGP Lobby**

Friday, July 30th

10:00am **Irene Valenzuela - SCGP 103**

Title: Geometrical and stringy structures underlying the Distance Conjecture

11:00am **Coffee Break - SCGP Cafe**

11:30am **Irene Valenzuela Continuation - SCGP 103**

Title: Geometrical and stringy structures underlying the Distance Conjecture

3:30pm **Tea Time - SCGP Lobby**
