Workshop Schedule Week 4

Events for:
Monday, August 2nd - Friday, August 6th

Monday, August 2nd

10:00am **Michael Douglas - SCGP 103**

Title: Numerical methods for higher dimensional geometry

11:00am **Coffee Break - SCGP Cafe**

11:30am **Michael Douglas Continuation - SCGP 103**

Title: Numerical methods for higher dimensional geometry

3:30pm **Tea Time - SCGP Lobby**

Tuesday, August 3rd

10:00am **Mario Martone - SCGP 103**

Title: Moduli space geometry and classification of superconformal field theories

11:00am **Coffee Break - SCGP Cafe**

11:30am **Mario Martone Continuation - SCGP 103**

Title: Moduli space geometry and classification of superconformal field theories

3:30pm **Tea Time - SCGP Lobby**

Wednesday, August 4th

11:00am **Nikita Nekrasov**

Title: Complex saddles, spins and stables

Thursday, August 5th

10:00am **Martin Rocek - SCGP 103**

Title: An introduction to (0,4) superspace and its applications

11:00am **Coffee Break - SCGP Cafe**

11:30am **Martin Rocek Continuation - SCGP 103**

Title: An introduction to (0,4) superspace and its applications

3:30pm **Tea Time - SCGP Lobby**

Friday, August 6th

10:00am **Sahand Seifnashri - SCGP 103**

Title: Non-invertible symmetries, their gauging, and applications

11:00am **Coffee Break - SCGP Cafe**

11:30am **Sahand Seifnashri Continuation - SCGP 103**

Title: Non-invertible symmetries, their gauging, and applications

3:30pm **Tea Time - SCGP Lobby**
