

# Liya Nigmati

Solo recital performance at  
**The Simons Center for Geometry and Physics**  
*February, 2025*

- G. Mahler 'Adagietto' from Symphony No. 5 (arr. by O. Singer) (11 minutes)
- J. S. Bach 'Italian Concerto' (13 minutes)
- C. Debussy 'Reflets dans l'eau', 'Hommage à Rameau', 'Mouvement in C' from Images (Book 1) (15 minutes)
- A. Piazzolla Milonga Del Angel (4 minutes) and Libertango (3 minutes)
- W. A. Mozart - A. Volodos Turkish March (3 minutes)

There is no intermission.

I will give short introductions before each piece, so that will add another 3-5 minutes to the total duration of the program.

Thus the total concert time is about **52-54 minutes**.
